Lifelong Learning Programme

Project No. 177075-LLP-1-2010-1-FR-ERASMUSENWA

The programme runs in the autumn semester and 3rd or 4th year students from a BA or MA programme in SLT from all over the world are welcome to attend the programme.

5. Keywords

one-semester exchange programme, English courses in Speech Language Therapy, international and intercultural context

6. Motivation letter: Please, justify why this is a good example of good practice

The curriculum offers a unique opportunity to deepen and broaden the students' knowledge of Speech Language Therapy in an international and intercultural context, which can be a great value for his or her professional career. Students will acquire competences and become more skilled at working in a different linguistic environment and with other cultures.

The English Programme runs for several years and there is a funded cooperation with different departments in Speech Language Therapy.
