4. Abstract (English)

Students from speech and language therapy, nursing, physiotherapy, and social work at Manchester Metropolitan University meet for a half day multi-disciplinary workshop, using a case based approach and exploring the potential roles of the different professions with a given case. This is followed by on line discussion boards, mediated by academic staff to facilitate interprofesional learning. A poster and a powerpoint presentation outline the detail of the initiative

Undergraduate students

6. Motivation letter: Please, justify why this is a good example of good practice

The good practice is that students have an early opportunity to meet with and explore the experiences of students from a range of professional backgrounds, reducing stereotypes and increasing understanding of each others' roles

Thanks for your help and contribution!
