Maria Anca (director of the program)

3. Language

Romania

4. Abstract

This master program combines speech and language therapy with educational audiology. It is the single master program organized in this way from Romania, it being addressed to SLTs and audiologists.

5. Keywords

Speech and language therapy, audiology, master program

6. Motivation letter: Please, justify why this is a good example of good practice

It is a good example of good practices as we have now two generations of graduated master students receiving very good feed-back from their employers both from SLT field and from audiology field.
